

**Notice of Vacancy on Tuolumne County Transportation Council (TCTC)
And Tuolumne County Transit Agency (TCTA)**

The Tuolumne County Transportation Council (TCTC) and Tuolumne County Transit Agency (TCTA) are actively recruiting potential candidates for one At-Large Member from the general population of the County.

The TCTC is the Regional Transportation Planning Agency for the Tuolumne County Region. Projects include the Gold Rush Multi-Use Path, the Regional Transportation Plan, the Short-Range Transit Plan, and the Active Transportation Programs.

The TCTA oversees transit services in Tuolumne County, including Tuolumne County Transit and the Yosemite Area Regional Transit System (YARTS), and coordinates with other Social Services Transportation Providers.

Duties consist of:

- Attending 10 evening meetings per year at the AN Francisco Building, 3rd Floor, 48 Yaney Avenue in Sonora, California
- Working with and overseeing staff development of the annual budget
- Oversight of the regional public transportation system
- Prioritize transportation planning projects
- Review and comment on draft transportation studies
- Establishing transportation funding priorities

While any resident of Tuolumne County is eligible to apply and may be appointed, preferred qualifications include a background in or demonstrated interest in transportation and/or transit services. Because the TCTC and TCTA are responsible for planning and overseeing infrastructure that supports future growth and shapes the built environment, applicants should have a strong interest in how the City of Sonora and Tuolumne County will develop and function in the decades ahead. The transportation field is complex, and the selected individual must be prepared to review and understand substantial technical materials.

Those interested in applying may contact Denise Bergamaschi at 533-5603 for an application. Once completed, please send the application to:

Tuolumne County Transportation Council
Attention: Tamera Blankenship, Executive Director
2 South Green Street

Applications and Statements of Qualifications will be accepted no later than March 13, 2026, in anticipation of selecting a candidate at the April 8, 2026, meeting. An interview panel will determine the most qualified applicant for the Council. If you have any questions, please contact Tamera Blankenship at: at 209/533-5603
